About Us.

Novel Kitchenware is an ISO certified 17 year old well reputed company in the business of manufacturing premium kitchen products. We have a very robust Research and Development team that has resulted in conceptualizing and manufacturing more than 25+ innovative products for any modern kitchen of the 21st century. We have earned and maintained the trust of thousands of our satisfied customers by providing highest quality products at very competitive rates.

Since 2005, NOVEL has been creating tools and gadgets to meet the growing needs of consumers worldwide. We design products to do a brilliant job, simply and efficiently, and also make our customers smile every time they use them. Our curiosity drives us. Your satisfaction inspires us. And we hope our attention to detail is why you'll reach for our products again and again.

WE BELIEVE IN A BETTER WAY

At NOVEL, we look at everyday objects and activities and we see ways to make things simpler, easier, more thoughtfully designed-better. We notice things. We notice pain points and pains-in-the-neck. We notice problems people don't realize are problems until we solve them. We see opportunities to improve a product or a process, or a part of everyday life, and we make things that make things better.
